TEXAQS-II 2005 Supporting Information for Deliverables

**Topic: Field Logbooks**

Two field logbooks were maintained during the SETTS and NETTS programs. One logbook includes notes by William R. Hicks, TVA's Senior Field Technologist for the project. The other was recorded by Ralph J. Valente, TVA's Principal Engineer for the project. The original logbooks are maintained by Ralph J. Valente at the address below:
