

Texas Commission on Environmental Quality - Northeast Texas Transport Study
(NETTS)

October 24, 2005

Acknowledgements:

Data contained in the directory has been collected from funding by the Texas Environmental Research Consortium (TERC) and the Texas Commission on Environmental Quality (TCEQ). Researchers from Tennessee Valley Authority, Texas A&M University, University of Houston, University of Alabama at Huntsville, Twin Otter International, and TCEQ contributed to this study.

Use of data:

All data shall be considered preliminary (raw). Changes may have occurred since posting due to quality control activities or other reasons. Please contact the principal investigators prior to use to discuss your application, data changes, and data limitations.

Data download: anonymous login to ftp.tceq.state.tx.us
/pub/OEPAA/TAD/DA/Aircraft/TVA2005/NETTS

Aircraft collected data:

Contact - Doug Boyer, dboyer@tceq.state.tx.us
Ken Rozacky, krozacky@tceq.state.tx.us

Files - TVAHeaderLabels.xls (Header for data files)
Time and Tide.xls (Discusses how to merge time and coordinate fields)
FlightNotes_050822.xls (Flight Notes up to Aug 22, 2005 flight)
TX05F6.dat - TX05F19.dat (Aircraft collected data files)
